

Welcome

Residents of Bartram Springs CDD,

Governmental Management Services (GMS) is excited to introduce ourselves as your new Amenity and Field Operations Management company effective March 14, 2024. GMS is the largest CDD management organization in the state of Florida with over 250+ full-time and part-time employees.

Good news! Bartram Springs 2024 Summer Camp details coming soon! GMS is excited to bring to life our creatively curated themed weeks for your campers. Daily crafts, games, movies, activities, competitions and special guest presentations are all to be anticipated! There will be no increase in camp fees. Stay tuned.

GMS will begin immediately hiring seasonal lifeguard and camp counselor staff. Any residents previously hired for either position and interested in continuing to work at Bartram Springs, please reach out to us for employment opportunities with our organization. Formal job postings coming soon.

GMS will continue to host all of the fun special events Residents are used to and more!

Our top priorities are sports programming, summer camp, athletic field maintenance and the continued improvement of District infrastructure.

Bartram Springs CDD Board of Supervisors has tasked us with being open and accountable on all aspects of your community. This is the first of many communications, keep an eye out for more to come.

We are excited to be here and looking forward to serving the Residents of Bartram Springs CDD.

If you have any questions, comments or concerns, please don't hesitate to reach out to us.
