FIRST ORDER OF BUSINESS

Roll Call

Mr. Oliver called the meeting to order at 8:30 a.m. and called the roll. Four Supervisors were in attendance in person and one attended via phone constituting a quorum.

SECOND ORDER OF BUSINESS

Audience Comments

Mr. Oliver opened the audience comment period. Hearing no comments, the next item followed.

THIRD ORDER OF BUSINESS

Approval of Minutes of the February 7, 2024 Meeting

Mr. Oliver presented the meeting minutes from the February 7, 2024 Board of Supervisors meeting and asked for any comments, questions, or corrections. He stated that there was a misspelling that will be corrected. Mr. Walden noted that on page 11 there was a misunderstood word between dues and duties. Hearing no other changes, Mr. Oliver asked for a motion to approve the minutes, as revised.

On MOTION by Ms. McKinney, seconded by Ms. Young, with all in favor, the Minutes of the February 7, 2024 Meeting, were approved.

FOURTH ORDER OF BUSINESS

VerdeGo Update

Mr. Oliver noted that Brian Wackes of VerdeGo is not in attendance today, so the next item followed.

FIFTH ORDER OF BUSINESS

Consideration of Amenity Athletics Plan to Operate Spring Soccer

Mr. Oliver stated the possibility of Spring Soccer at Bartram Springs is still a work in progress. If it cannot happen at Veterans Park, there is an alternate plan to operate Spring Soccer off site, at which Bartram Springs residents will be able to participate. Mr. King of Vesta updated the Board on the options. If the Board does decide to have the soccer onsite, he asked that they choose a representative to work with District Counsel to flesh out the details of the contract to make that a possibility. The insurance issue has been resolved and Mr. King explained that process to the Board and staff. Mr. Haber noted that they do not currently have a draft agreement for Board

review, but will use a form of agreement that the District enters into with Vesta which would likely be used in a paired down form because the services are significantly reduced but the terms as far as insurance on the amenity and those type of things will remain in place.

They did go over a six-point list that Vesta has concerning the amenity athletics stating that one, Vesta will provide a Spring 2024 soccer season through May 25th with place of play to be determined. Two, continue to provide revenue share in accordance with the current negotiated arrangement. Three, acknowledgement that the prior revenue share issue has been resolved, Bartram Springs CD acknowledges and provides a release with added verbiage to the effect of the Board acknowledges that Vesta acted in good faith in both how it interpreted the language around the revenue share, and when most recent Board saw it differently, Vesta worked in good faith to resolve the issue to the satisfaction of the Board as validated by Board meeting minutes, adding that Vesta has shown they did not profit from the situation as increased revenue for Vesta and resulted in lower CDD fees. Four, this point was redacted due to insurance being worked out. Five, the DM will serve as a liaison between the amenity athletics and the Board. Six, a “gentlemen’s agreement” that an open mind be kept about providing amenity athletics beyond Spring Soccer. The Chair had no questions regarding the proposed agreement. One Board member did mention that the fields still have a lot of standing water and other deficiencies that need to be addressed with the fields moving forward. Ms. Young asked that number six be taken out of the contract due to its relevance and if other athletics are in question they will talk about that when that time is appropriate.

Discussion continued and it was stated that Board has the desire for public record to show that as a Board, it had supported keeping amenity athletics for onsite athletic league programming, and to retain Vesta employees that wanted to stay at Bartram Springs. It was also stated that it is important to note that there was no disclosure that Amenity Athletics would be affected by the RFP process. There was a long discussion on the language of the third bullet point that concerns revenue sharing and Mr. Haber added his opinion and the Vesta representative is steadfast that the statement is very important to them. Mr. Haber suggested adding a release of liability that may work for both parties. Mr. King is continually asking for the Board to say on the record that they believe Vesta acted in good faith and the Board is hesitant to do so. It has been stated that the CDD will not be seeking any damages for lost revenue over the years of amenity athletics. It was decided that District Counsel will conversate with Mr. King and Vesta legal representation to hammer out the

language that both parties are happy with. This item was put on hold until that conversation was had.

The representatives from the Florida Prime Sports, Elite Soccer, Happy Hoops, St. John Soccer Academy, and i-9 Sports spoke to the Board and gave a brief introduction of who they were representing. They will also be at the workshop to be scheduled later in the month. Mr. Oliver proposed some dates for the workshop while a Board member added that it is important to keep the cost at or lower than what they are paying for sports amenities as they are going through this process. March 25, 2024 at 8:30 was the proposed date and time for the workshop and Mr. Oliver invited the sports vendors to come back at that time.

Mr. Haber, District Counsel, returned at this time and stated an agreement had been made to provide Amenity Athletics for Spring Soccer. A release will be provided by the District as it relates to the revenue sharing with a scope of services provision that will be detailed. A Board member will have delegated authority for review and authorization of approval on the Districts behalf and Ms. Young will be that Board member. A motion was made to approve an agreement with amenity athletics to provide Spring Soccer with an agreement including a release for claims related to revenue sharing and authorizing Ms. Young to review and execute the agreement on the District's behalf.

On MOTION by Ms. Reynolds, seconded by Ms. McKinney, with Ms. Young, Ms. Reynolds, Ms. McKinney, and Mr. Walden in favor and Mr. Nierengarten opposed, the Amenity Athletics Plan to Operate Spring Soccer, was approved 4-1.

SIXTH ORDER OF BUSINESS

Staffing Transition Update

Mr. Oliver noted that both Vesta and GMS will be speaking to the Board. Handoff of services from Vesta to GMS will begin this week with an overlap of staff until Thursday. Mr. King offered to answer any questions the Board may have about the transition from Vesta's side. They talked about the upcoming summer camp pre-registration list from Vesta to GMS and any updates for that. All residents who were pre-registered for the summer camp through Vesta have been contacted, refunded, notified of the changeover, and informed of the camp that GMS would be offering.

Mr. Glynn wanted to thank Vesta for the help in the transition period and thanked the staff for putting the team together and stated that it has been a good transient with good lines of communications open with the different items that have been going on between operations and amenities and wanted that stated for the record.

GMS also stated that they have planned a “Spring Break Kick-Off” to meet the GMS staff on Friday, March 15th from 4:00 to 6:00 p.m. that will be announced via email blast today. There will be food trucks and inflatables with a DJ for a fun way for the kids to kick-off their spring break and meet the staff. GMS is sponsoring the event and will come at no cost to the District. GMS is planning a couple of minor maintenance projects that will be expedited before the start of spring break that include slide maintenance and pressure washing of the pool deck furniture.

SEVENTH ORDER OF BUSINESS

Consideration of Agreements

A. VerdeGo Agreement for Landscape Maintenance Services

Mr. Oliver noted that the CDD had gone through the RFP process and VerdeGo was selected in that process. Mr. Haber has drafted an agreement and a copy of that was included in the agenda packet. Mr. Haber offered to answer any Board questions. A question was asked about the cost of Bermuda turf aerification and the cost to oversee Bermuda sports fields and fertilization to be sure it won't be dangerous for spring soccer. Mr. Haber noted that the responsibility is under VerdeGo, but they do have a right to subcontract that work as well. The VerdeGo rep said that it would be work that is subcontracted and he wants to check on the timing of when it will be done before answering the question. When that job is done, they will be sure to do it after Spring Soccer. Details of the contract were discussed at length to be sure the Board understood the full scope of the agreement.

On MOTION by Ms. Young, seconded by Ms. McKinney, with all in favor, the VerdeGo Agreement for Landscape Maintenance Services, was approved.

B. GMS for On-Site Staffing for Amenities & Operations Management Services

Mr. Oliver noted that this item will be tabled and brought to the next meeting as the document is still a work in progress.

EIGHTH ORDER OF BUSINESS

Ratification of Agreements

A. Champion Swim School

Mr. Oliver noted that these agreements have already been executed and have been brought back to the Board for ratification. He then asked for any discussion on Champion Swim School and Ms. Reynolds went over the proposal and asked what the fee for enrollment would be. The answer was not known, and staff agreed to find out.

On MOTION by Ms. Reynolds, seconded by Ms. Young, with all in favor, the Champion Swim School Agreement, was ratified.

B. Barracudas Swim Team

Mr. Oliver asked for any comments. Ms. Young noted that nonresidents should be paying an additional fee and stated that it is the desire of the Board to have \$5 per swimmer as residents and an additional \$5 for nonresidents equaling \$10 for the nonresidents. Mr. Oliver noted that they will make that change and bring it back to the next meeting for ratification.

C. Matthews Design for Engineering Services

Mr. Oliver noted that Alex Acree Matthews Design group is on the phone. MDG is the engineering company that was selected through the RFQ process. Mr. Acree stated that he is looking forward to working with the CDD and didn't have anything to report to the Board at this time.

NINTH ORDER OF BUSINESS

**Consideration of Resolution 2024-04,
Designation of Officers**

Mr. Oliver explained that there are no changes to any of the existing officers of the District. This resolution adds GMS employees to serve as assistant treasurers. Patti Powers and Sharyn Henning are senior accountants for GMS. They are being brought on board to handled accounting services for summer camp. A separate bank account is being set up just for summer camp accounting showing all revenues coming in and all expenditures going out.

On MOTION by Ms. Young, seconded by Ms. McKinney, with all in favor, Resolution 2024-04, Designation of Officers, was approved as revised.

TENTH ORDER OF BUSINESS

Staff Reports

A. Attorney

Mr. Haber noted that he does have the information need related to the damaged bollards and should have a better update for the Board at the next meeting as progress is being made.

B. Engineer

There being no comments, the next item followed.

C. District Manager

1. 2024 General Elections

Mr. Oliver reminded the Board that the 2024 general election cycle is starting and there will be three seats decided by general election this year. The qualifying period for the election is from June 10th through June 14th at noon. If there are any persons interested in running for the election they should contact the Supervisor of Elections of Duval County. To qualify you must be registered to vote within the District and either pay a registration fee of \$25 or collecting signatures on a petition. The election is to be held in November. If there are no qualifiers, the Board would appoint qualified electors to the seats no sooner than two weeks after the general election ends.

2. Discussion of Fiscal Year 2024 Meeting Schedule Revisions

Mr. Oliver noted that they have spoken several times over the last year and a half about having more night meetings and opened the floor up to Board discussion. Ms. Young proposed that they continue to have the morning meetings and to add a second meeting in the month during the evening having two meetings a month at two times. It was commented that Board members are only allowed to make a certain monetary amount to attend those meetings and adding a second meeting in the month may surpass that threshold. Florida Statute states that a Board member may only make a maximum of \$4,800 per year. Mr. Oliver suggested that for a short term fix they could move to two night meetings per quarter and one daytime meeting per quarter. As they approach FY2025 meeting schedule they can adopt a new standard after testing this one out. Ms. Young then noted that she believes that for the first three months at the very least to have two meetings. Ms. McKinney did note that she believes having meetings is an expense to the District and she does not want to meet unnecessarily. She believes having the workshops as needed will be most cost effective moving forward. Ms. Young still insisted on have two meetings a month for a quarter and then decide how things are going after those three months. The April meeting is to be held on

the 8th at 6:00 p.m. and the second meeting will be held the 22nd at 8:30 a.m. For the month of May, the regularly scheduled meeting will be held the 13th at 6:00 p.m. with a second meeting to be held the 30th at 8:30 a.m. June meetings will be held June 10th at 8:30 a.m. and June 24th at 6:00 p.m. Staff will take Board direction on this, no motion is necessary at this time.

3. Scheduling of March Workshop for Long-Range Planning of Athletic Programming

Mr. Oliver stated that the workshop will be held March 25th at 8:30 a.m. Because it is a workshop no motions will be made at that time.

D. Amenity Management & Field Operations

1. Vesta Report (outgoing)

Ms. Taylor noted that there is nothing in her report that was not covered in the transition documents sent. The events in progress have all been handed over to GMS. Regarding the completion of the roofing project and Mr. Oliver suggested Mr. Atwood and Mr. Glynn inspect the completed work before authorizing the accountant to pay the invoice. There was a conversation about the process of getting rid of equipment and Mr. Haber walked the Board through that process of surplus property. Ms. Reynolds noted that residents had been blowing the pickle ball courts to remove excess water and GMS staff will be sure to check the courts and take care of water on an as needed basis.

2. GMS Report (incoming)

Mr. Glynn stated that there is an ongoing action items list started and he is working with individual vendors and subcontractors going over their contracts and scopes of services. Transitioning employees that are coming over for operations is ongoing and going smoothly thus far. Lines of communications will remain open to be sure that nothing will fall between the cracks. It is a priority to repair the slide before the start of Spring Break and the anticipation is that it will be ready for that time.

ELEVENTH ORDER OF BUSINESS

Supervisors Requests and Audience Comments

Mr. Nierengarten asked if any Board members knew for a fact that they were not planning to run for their seat in the upcoming election to let them know so they Board can prepare interested residents who may want to fill those seats.

Ms. McKinney requested that the newsletters be published every month and that they continue with the weekend update. She asked if GMS is able to continue with Mr. Oliver and the answer is yes. She then asked about the revising and signing of the Code of Ethics document and asked if that can be brought up at the next Board meeting. Finally, she stated that mistakes have been made and wanted to be sure that no fingers are being pointed and no one is being villainized to make the Board look better.

Mr. Walden asked what the status of the traffic crash three weeks ago was. Damage has been identified and they are looking to replace the flowerbed. No police report has been obtained. He asked about an update on the card room, and it has been used as scheduled. They were not prepared to discuss it at this time and if they will do anything with that room there needs to be a resident survey conducted. This will be tabled until the next meeting.

Ms. Reynolds seconded the statement that the weekend update is important to continue to communicate with the residents as much as possible. She said there is a desire to continue with kids' activity night and asked that that be done monthly. She believes now is a good time to review and bring forward any policies that as a Board they may have questioned in the past.

A resident asked about the light out front and why it has not been lit since the accident. Staff will look into it and put it on their action items list.

A resident provided comment before the meeting regarding an elliptical machine. There is information on repair or replacement and staff will continue to work on it.

TWELFTH ORDER OF BUSINESS Financial Statements

A. Balance Sheet as of January 31, 2024 and Statement of Revenue & Expenditures for the Period Ending January 31, 2024

Mr. Oliver presented and reviewed the financial statements. A copy of the financials was included in the agenda package. The capital reserve balance is at \$157,000 with a slated \$245,000 added this fiscal year bringing the total up into the \$450,000 range.

B. Assessment Receipt Schedule

A copy of the assessment receipt schedule was included in the agenda package. The District is 97% collected at this time.

C. Approval of Check Register

Mr. Oliver presented the check register for review. He offered to answer any questions. Ms. Reynolds asked about the pressure washing and Vesta presented what was pressure washed for that invoice. Mr. Oliver explained the process and noted that it is very typical for the incumbent on-site management company to provide these types of services.. There being no other questions, Mr. Oliver asked for a motion of approval.

On MOTION by Ms. Young, seconded by Ms. McKinney, with all in favor, the Check Register, was approved.

THIRTEENTH ORDER OF BUSINESS Next Scheduled Meeting – April 8, 2024 at 6:00 p.m. @ Bartram Springs Club Amenity Center

Mr. Oliver stated that the workshop is scheduled for March 25, 2024 and the next regularly scheduled meeting will be April 8, 2024 at 6:00 p.m. at this location.

FOURTEENTH ORDER OF BUSINESS Adjournment

Mr. Oliver asked for a motion to adjourn the meeting.

On MOTION by Ms. Young, seconded by Ms. McKinney, with all in favor, the meeting adjourned.

Board Supervisors
Bartram Springs Community Development District

Re: Applicability of Sunshine Law and Public Records Law to Social Media and Internet

Dear Board Supervisors,

This is a reminder regarding the interaction between Florida's Sunshine and Public Records Laws and social media websites like Facebook and other online forums. Both laws apply to social media, and there are several best practices that you may want to consider when using social media to communicate with constituents.

Florida's Government in the Sunshine Law

Generally speaking, the Sunshine Law applies to all formal or informal gatherings of two or more Board Supervisors to discuss matters that may foreseeably come before the Board for official action. Section 286.011, Florida Statutes, contains three requirements for such meetings: (1) the meetings must be open to the public; (2) the meetings must be noticed; and (3) minutes of the meetings must be taken. Consistent with the Florida Supreme Court's broad interpretation of the Sunshine Law, the Sunshine Law extends to any discussion or exchange by two or more Board Supervisors regarding District business regardless of the means of communication, including but not limited to email, phone calls, social media websites, blogs, and third-party liaisons.

Although the Sunshine Law does not specifically prohibit a Board Supervisor from using social media to express a position on District business, Board Supervisors must be aware that any exchange of opinions relating to District matters as between two or more Board Supervisors, whether directly or indirectly via social media, triggers the requirements of the Sunshine Law. This includes instances where two Board members may act as moderators of a single Facebook page. In addition, Board Supervisors should be aware of the potential for other third-party users to trigger these requirements. For example, the Attorney General has expressed concern as to "the inherent availability of other participant's or contributors to act as liaisons" for board members to discuss official matters that should properly be handled at a public meeting.

Public Records Law

Board Supervisors are also subject to the duties contained in Chapter 119, Florida Statutes, which creates certain retention and inspection requirements for public records. "Public records" are defined in section 119.011(11), Florida Statutes, to include "all documents, papers, letters... or other material, regardless of the physical form, characteristics, or means of transmission, made or received... in connection with the transaction of official business by any agency." The nature of the record, rather than the form of the record, determines whether it is a public record subject to Chapter 119, Florida Statutes. Opinions or comments posted on social media websites or blogs by Board Supervisors regarding District matters or matters that may come before the Board are considered to be made "in connection with the transaction of office business" and are, therefore, "public records." This is true regardless of whether the posts are made on a private social media account, a public social media page, or on a public website.

Best Practices

While social media offers Board Supervisors a powerful means by which to communicate with constituents, use of social media by Board Supervisors presents the risk of violation of both the Sunshine Law and the Public Records Law. Here are a handful of common pitfalls and how to address them to avoid a Sunshine Law violation:

1. Do NOT post on a social media page in response to another Supervisor's post. Also, do NOT direct others to make such a post on your behalf. In fact, our recommendation is to avoid using social media for District business on an individual level. Utilize instead your e-mail addresses designated for District business, your on-site and District management staff and Board meetings.
2. If you do post on a social media page, create a copy of that page, and submit it promptly to the District Manager's office, who will maintain the record as the District's records custodian. ALL communication, in any medium, that concerns District business is a public record and is required to be retained pursuant to governmental retention schedules.
3. Maintain District-related email separate and apart from any personal e-mail.
4. If in doubt about the accuracy of any planned posts, please consult with staff first, or feel free to direct a constituent with a particular question to staff for follow-up.
5. If you want to set up your own Facebook or other account where District business will be discussed, please consult further with District staff first. There will be technological requirements the Board may need to consider first.
6. Use person to person contact, e-mail and telephone as your primary, or sole, means of communication with your constituents.

I hope this information is helpful. Please do not hesitate to contact me if you have any questions.

Sincerely,

Carl Eldred
District Counsel

PERSONAL CODE OF CONDUCT/ETHICS FOR THE BOARD OF SUPERVISORS OF THE BARTRAM SPRINGS COMMUNITY DEVELOPMENT DISTRICT

PREAMBLE

The Bartram Springs Community Development District (“CDD” or “District”) Board of Supervisors, residents, contractors, vendors and staff are entitled to have fair, ethical and accountable local government from the Board of the CDD. Such a government requires that the Board of Supervisors of the CDD (“Board” or “Supervisors”):

- Comply with both the letter and the spirit of the laws and policies that affect the operations of the CDD.
- Be independent, impartial and fair in their judgment and actions.
- Use their public office for the public good, not for personal gain.
- Conduct public deliberations and processes openly, in an atmosphere of respect and civility.

To this end, the Bartram Springs CDD has adopted this Code of Conduct/Ethics to encourage public confidence in the integrity of local government and its fair and effective operation.

Elected (and appointed) members of the Board of Supervisors shall sign a form acknowledging receipt of this code of conduct/ethics at the time of commencing their term of office.

CODE

The basic tenets of the Code shall be:

1. Act in the Public Interest.

Recognizing that stewardship of the public interest should be a Supervisor’s principal concern, all members of the Board should work for the common good of the District and not for private or personal interest, and each Supervisor should endeavor to treat all persons, claims and transactions in a fair and equitable manner.

2. Comply with the Law.

All Supervisors and Staff shall comply with the laws of the nation and the State of Florida in the performance of their public duties. These laws include, but are not limited to, the United States and Florida constitutions; the State of Florida laws pertaining to code of ethics for public officers and employees; conflict of interest related laws; election campaigns laws; legally required financial disclosures; and the open processes of government, including Florida’s public records and Sunshine Law.

3. Conduct of Members (Supervisors and Staff).

All Supervisors should refrain from abusive conduct and verbal attacks upon the character or motives of other members of the Board of Supervisors or District staff. This is not to discourage public

discourse and debate but rather to emphasize Supervisors should engage with the public in a thoughtful, respectful and civil manner. Supervisors should also refrain from abusive conduct and verbal attacks on the public, on District vendors and other service providers of and for the District. This tenet applies to in-person contact, telephone conversations and to any electronic communication or other written communication between and/or about any of the parties mentioned above. Specific examples and points of conduct are:

Use of Decorum with Public.

Making the public feel welcome is an important part of the democratic process. Supervisors should use decorum in addressing fellow Supervisors and members of the public. No signs of partiality, prejudice or disrespect should be evident on the part of individual Board members toward an individual participating in a public forum. Supervisors should make every effort to be fair and impartial in listening to public comments.

Supervisors Should be Welcoming to Speakers and Treat Them with Respect.

Speaking in front of the Board of Supervisors can be a difficult experience for some people. Some issues the Board undertakes may affect people's daily lives and homes. Some decisions are emotional. The way in which the Board of Supervisors treats people during public meetings can do a lot to make members of the public relax or it can push emotions to a higher level of intensity. Supervisors should attempt to treat all members of the public and public comments with respect.

Supervisors Should Actively Listen to Public Comments.

It is disconcerting to public speakers to speak before Board members that are not actively listening. It is acceptable to look down at documents or to make notes, but reading for a long period of time or gazing around the room gives the appearance of disinterest. Supervisors should be aware of facial expressions, especially those that could be interpreted as "smirking," disbelief, anger or boredom. Supervisors should endeavor to actively engage in each meeting.

Supervisors Should Avoid Uncivil Debate and Argument with Members of the Public.

Supervisors should not belligerently challenge or intentionally belittle a member of the public who is providing public comment or otherwise. While public discourse is desirable, disagreements should be had civilly.

Supervisors Should Avoid Personal Attacks.

Supervisors agree that they will be aware that their body language and tone of voice, as well as the words they use, can appear to be intimidating or aggressive and they should refrain from such actions. Supervisors should avoid making any personal, uncivil attacks on any member of the public, including fellow Supervisors or District staff.

4. Respect for Process.

All Supervisors should perform their duties in accordance with the Rules of Procedure, processes and District policies approved or otherwise adopted by the Board of Supervisors.

5. Communication.

It should be the responsibility of members of the Board to publicly share substantive information that is relevant to a matter under consideration that they receive from sources outside of a public meeting. All communication between and among members of the Board shall always be in compliance with Florida's Government in the Sunshine Law, found in Chapter 286, Florida Statutes.

6. Conflict of Interest.

In order to assure independence and impartiality on behalf of the public good, and to comply with Florida law, Board members shall comply with Florida's Code of Ethics for Public Officers and Employees, as found in Chapter 112 of the Florida Statutes. Any questions about what may be required in a potential matter of conflict of interest should be referred to the District's legal counsel.

7. Gifts and Favors.

Board members and staff shall comply with Florida's "gift laws" found in Florida's Code of Ethics for Public Officers and Employees, sections 112.3148 and 112.3129, Florida Statutes, and other laws.

8. Confidential Information.

Board members should recognize that Florida has broad public records laws, as found in Chapter 119 of the Florida Statutes. It is the general rule that all documents received or disseminated in the conduct of District-related business is a public record and not confidential in nature. However, when in doubt, Supervisors should consult with the District's legal counsel as there are limited exemptions to Florida's public records laws.

9. Representation of Private Interests.

In keeping with their role as stewards of the public trust, Board members shall comply with Florida's Code of Ethics for Public Officers and Employees, as found in Chapter 112 of the Florida Statutes. Any questions regarding the statutory code of ethics should be referred to the District's legal counsel.

10. Advocacy.

To the best of their ability, Board members should represent the official policies and positions of the Board of Supervisors. When presenting personal opinions or positions potentially affecting the CDD, either verbally or in writing, members should endeavor to make clear that such personal opinions or positions are not necessarily those of the Board as a whole.

11. Positive Work Environment.

Board members should support the maintenance of a positive and constructive work and living environment for residents, businesses and CDD staff.

12. Implementation.

Upon assuming office, all Board of Supervisors members shall sign a statement affirming they received the Code of Conduct/ Ethics of the Bartram Springs Community Development District.

13. Compliance and Enforcement.

This Code of Conduct/Ethics of the Board of the District is aspirational in nature and there are no legal mechanisms available for enforcement thereof. However, the Board, District residents, District staff, contractors and members of the public stand to gain from a strict following of the tenets herein defined.

I hereby acknowledge that I have received the Code of Conduct/Ethics of the Bartram Springs Community Development District Board of Supervisors.

Completed Projects

- Pool slide entrance had exposed fiber glass and chipping paint
 - Major safety hazard
 - GMS identified issue on 3/8 final walk through with Vesta
 - Gel coated and repaired first day of GMS contract 3/15
 - Able to open slide for Spring Break 3/15
- Incorrectly sized final bolt for slide tower repair was replaced and installed 3/15

Completed Projects

- GMS had all dirty pool furniture and molded slip hazards on the slide tower pressure washed before the start of Spring Break 3/15

Completed Projects

- Pool slide tower railings were repainted to improve appearance

Completed Projects

- Overgrown JEA lift station area on Green Pond was mowed and cleaned up

Completed Projects

- Repaired main irrigation timer and secured pump station

- Message board at front entrance was updated 4/1 and will continue to be updated each month

In Progress Projects

- A \$9,390 deposit was paid to Shade America, Inc. on 1/5/24 for the install of shade sail at the amenity center playground (Prior to GMS awarded management contract)
- Shade America, Inc. was contacted and scheduled to meet with GMS week of 3/25 to discuss install and did not show and has not returned phone calls

In Progress Projects

- Dead tree in Veterans Park parking lot to be removed
- Broken benches at Veterans Park to be replaced and repaired
- Hole in amenity center patio ceiling to be repaired (Contractor mistake prior to GMS start date)

In Progress Projects

- GMS is working with Security 101 to update the access system in order to secure the Veterans Park bathrooms
 - A third-party security company was brought in prior to GMS contract that set up a separate network for access control of the Veterans Park bathrooms – GMS was not provided any information on this separate network or passwords to it
 - This resulted in any new access cards issued not being able to access these bathrooms
 - GMS is working to get all access control on one network in order to secure these bathrooms and continue to improve the overall quality of Veterans Park
- Security 101 will also be cleaning up all exposed wiring in the front office, including security camera closet

12/8/23 - Checked both restroom doors not closing. Men's room was missing screw in handle. Installed missing screw and tighten the handle door closes. Women's room was rubbing top right corner and closure needed adjusting. Door is closing now. Checked software controller went offline on 10-6-23 . Unable to ping from the headend. Was able to ping when connected directly. Rebooted everything still offline. Will need the Ubiquiti's checked and verified. If they are good need comcast to verify their equipment. Let us know if we need to do a vendor meet. Doors will unlock and lock with the current schedule.

12/14/23 - Met with Eric but he didn't install the Ubiquiti's. No password info unable to access them to verify settings. Will need to meet vendor that installed them.

BILLING AND PAYMENT OPTIONS

JEA offers a number of convenient billing and payment options. You can pay online, by phone, by mail, in person or automatically using your bank account. And you can go paperless by receiving your bill by email, which is easy for you and good for the environment.

eBill: Receive, view, and pay your bill online. JEA ebill is one of our most convenient ways to receive, view and pay your bill.

MyBudget: With MyBudget, your bill is based on a rolling 12-month average. This prevents drastic changes in your bill month to month, even in the coldest or hottest months when you use more.

Auto-Pay: Our Automatic Bill Payment service ensures your JEA bill is paid automatically. You still receive a bill, but Automatic Bill Pay deducts the amount you owe from your bank account on your due date. Once set up, you don't have to do a thing.

Pay Online: When you pay your JEA bill on jea.com, your payment is credited to your account immediately. It is free to pay using your checking or savings account. Pay by debit or credit card—convenience fees charged by card payment vendor: Payments up to \$500: \$2.20, \$500.01–\$1,000: \$4.40, \$1,000.01 - \$10,000: \$9.95.

Pay Through Your Bank: Use your bank's bill payer system to pay JEA electronically. Provide your JEA account information to your bank and enter the date and amount to pay each month.

Pay by Phone: Call 665-6000 to pay your JEA bill using our automated phone system 24 hours a day. Your payment will be credited to your account immediately.

It is free to pay using your checking or savings account. Pay by debit or credit card—convenience fees charged by card payment vendor: Payments up to \$500: \$2.20, \$500.01–\$1,000: \$4.40, \$1,000.01–\$10,000: \$9.95.

Pay by Mail: Please write your account number on your check or money order. Please include the payment stub with your payment and mail to P.O. Box 45047, Jacksonville, FL 32232-5047. Make checks payable to JEA.

Pay in Person: JEA payments are accepted at the JEA Downtown Customer Center, Winn-Dixie stores, Duval County Tax Collector offices and over 140 JEA authorized payment-only locations. Find locations at JEA.com/paymentlocations. Be sure to take a copy of your JEA bill when you go. **The JEA Downtown Customer Center, 225 North Pearl Street, is open 8:00 a.m.–5:00 p.m. Monday through Friday except holidays. Closed Saturday.**

When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

Request an Extension: We understand that sometimes things happen and you need a little more time to pay your bill. You can apply for an extension online at jea.com. Also, residential customers can call 665-6000; commercial customers can call 665-6250. Our self-serve system will let you know if you qualify and give you a new due date.

Need Help Paying Your Bill? United Way maintains a computerized database of programs that may be able to assist you in paying your utility bill. For assistance with your utility bill, dial 2-1-1 or 632-0600.

STATEMENT INFORMATION

APPLICATION AND CONTRACT FOR SERVICE—Customers may review terms and conditions of service and policies on jea.com, or may call, write or e-mail JEA to request a copy. Requesting of utility service and JEA's acceptance to provide utility service, including the rendering of a bill, constitutes a binding contractual agreement between JEA and the customer, including each financially responsible person or entity as defined by applicable State, City and Utility regulations and policies, whether or not service is listed in that individual's name.

Please review your billing statement. Should you suspect a billing or payment error, please notify us immediately at 665-6000. Commercial customers can call us at 665-6250. You have 90 days from the statement date to request a JEA review for correction or credit.

Customer Charge is a fixed monthly charge to maintain an account for a customer, including metering, billing and account administration.

Energy Charge pays for the cost of the electric infrastructure, contribution to the City of Jacksonville and to generate and deliver the electricity you use, excluding the cost of fuel.

Fuel Cost is determined by the Adjustable Fuel Rate, which may go up or down based on the cost of fuels JEA uses to generate electricity. A portion of the fuel charge is exempt from the Public Service Tax.

Water/Sewer Service Availability Charge is a fixed monthly charge that covers a portion of the water/sewer infrastructure and the cost to maintain an account for a customer, including metering, billing and account administration.

Conservation Charge applies only if you use more than 2,750 kWh during a billing period. If this occurs, you will be charged an additional \$.01 per kWh over 2,750 kWh to encourage conservation. Average home usage is 1,000 kWh per month.

Environmental Charge provides funding for environmental and regulatory programs.

Water Consumption/Sewer Usage Tiers are based on the amount of water you use. Typical household usage is 6 kgals or less.

Fees and Taxes are government transfers paid to city or state governments.

kgal: 1,000 gallons

cf: Cubic foot of water which equals 7.48 gallons of water

kWh: Kilowatt-hour is a measure of electrical energy. One kWh is the equivalent of using 1,000 watts for one hour. For example, if you use a 100 watt light bulb for 720 hours (i.e. for 30 days straight), you will have used 72 kWh.

IMPORTANT INFORMATION

The method of determining the balances upon which a Finance Charge is imposed:

We calculate the Finance Charge on the Account by applying the Monthly Periodic Rate to each of the "average daily balances" of Cash Advances and Purchases (including current transactions).

(a) Average Daily Balance of Cash Advances (including new Cash Advances). To get the "average daily balance" of Cash Advances, we take the beginning balance of your Account each day, including unpaid Finance Charges on Cash Advances, but excluding any other unpaid fees or charges and outstanding Purchases, we add any new Cash Advances transacted that day and subtract payments and credits posted to the Cash Advance balance as of that day. This gives us the daily balance for Cash Advances. Then we add all of these daily balances for the Billing Cycle together and divide the total by the number of days in the Billing Cycle. This gives us the "average daily balance" of Cash Advances.

(b) Average Daily Balance of Purchases (including new Purchases). To get the "average daily balance" of Purchases, we take the beginning balance of your Account each day, including unpaid Finance Charges on Purchases, but excluding any other unpaid fees or charges and outstanding Cash Advances, we add any new Purchases transacted that day and subtract payments and credits posted to the Purchases balance as of that day. This gives us the daily balance for Purchases. Then we add all of these daily balances for the Billing Cycle together and divide the total by the number of days in the Billing Cycle. This gives us the "average daily balance" of Purchases. If the New Balance on the Account's previous monthly billing statement was zero or was paid in full within 25 days after the Closing Date, the "average daily balance" of Purchases will be considered zero.
